PRODUCT SPECIFICATION

DE-RV Reflective cross belt

DE-RV-O

DE-RV-L

DESCRIPTION

Fully adjustable Reflective vest made from high quality elastic knitted cloth material. This keeps the vest lightweight and allows for a comfortable, cool wearing garment. The 30mm Reflective strip provides excellent safety support in low light.
The heavy duty buckle provides additional support.

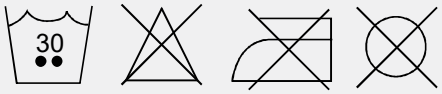
Specification:

- Material: High Elasticity Knitted Cloth
- Reflective strip width:30mm silver
- Band width:40mm
- Waist Band Circumference: Adjustable from 78-120cm
- Shoulder Straps: Adjustable from 46-63cm

RECOMMENDATION

Construction Industry
Warehouse environment
Mining Industry
Drivers
Road building and maintainance
Project managers
Engineers
Running, Cylcing

CARE



Store in a cool dry place.
The reflective wear lifespan is affected by many factors including: cold, heat, chemicals, sunlight and misuse.
Stored correctly, the reflective jacket should have a shelf life of 3 years.
