COLOUR	NAVY BLUE / GREY
PACKAGING	1 cap per Plastic bag with a user manual 100 units Carton
SIZES	One size adjusts to: 55cm to 66cm

DESCRIPTION

This short peak industrial bump cap (baseball style bump cap) is intended to give protection to the wearer against the effects of striking the head against hard, stationary objects

The wearer's head is protected against injury by a protective shell insert inside of which a shock absorbing crown pad has been placed.

The outer fabric of the cap is 50% cotton / 50% polyester

Adjustable velcro closing

Retro-reflective strip for greater night time visibility

Outer cap is ventilated with a breathable mesh on top to allow for airflow

Short peak allows for greater user visibility in confined spaces or areas of lower light whilst still providing safety precautions for the wearer

Boné antichoque.

Protege a cabeça de impactos leves.

Boné ajustável com uma alça de velcro.

4 cores disponíveis com faixa reflexiva

CE: sim
Tamanho: 55-66 cm
Peso (g): 150 g
Norma EN: EN812

lite

RECOMMENDATION

WARNING! THIS IS NOT AN INDUSTRIAL SAFETY HELMET.

This bump cap does not provide protection against the effects of falling/ thrown objects or moving suspended loads. It should not be used instead of an industrial safety helmet as specified in EN 397. An industrial bump cap should not be confused with an industrial safety helmet as per EN 397 standards.

SUITABLE FOR USE IN

Light industry, Assembly line,
Bottling plants, warehouses
Automobile and aircraft maintenance
