APPLICATIONS:

General use
Mining
Engineering
Construction
Warehousing
Outdoor Work in Hot Climates

SPECIAL INSTRUCTIONS:

Designed as re-usable protective eyewear.
After use clean with a mild cleaning liquid, carefully rinse off all traces of the cleaning liquid and dry with a soft cloth and gently wipe with a soft spectacle cleaning material.
Do not clean on clothing nor use abrasive cleaners.

Prior to use the spectacles should be free of any potential contaminants that can affect its intended performance.
The spectacles should be inspected by the user at the end of every use and again prior to each use.
Cracked eyewear must be removed from service as they will reduce eye protection and obstruct vision.
