

PRODUCT SPECIFICATION

G-10Grip Nitrile Glove

DESCRIPTION

13 gauge seamless knitted polyester liner
Latex coating can add a great grip and increased level of hand protection.
Latex palm gloves offer strong grip, dexterity, good abrasion resistance and overall durability.

RECOMMENDATION

It is the ideal glove for general maintenance and general material handling.
The tight knit gives the glove the perfect support and limits the penetration of dirt.
Offers excellent dexterity and optimum handling.
Excellent grip and with wrinkle latex palm coating

SUITABLE FOR USE IN

- Automotive industry
- Building
- Construction
- General Assembly
- Material Handling
